

Earn up to **\$100** by participating in the Mileage-Based User Fee (MBUF) Pilot Program!

A new alternate approach to funding roads and bridges in New Jersey is being explored, and we need your help to see if it can work. It's easy and there are no fees to participate.

1. Enroll

Fill out the enrollment form by clicking the link on the website.

2. Insert

Plug a small device into your vehicle to record mileage. Complete a survey and then receive a **\$50 gift card**.

3. Drive

Then drive as you normally do.

4. Return

Mail back the device at the end of October. You'll be sent a survey to complete and then receive an additional **\$50 gift card** to redeem at a location of your choice.

**These steps may vary depending on the mileage-reporting option selected.*

Incentive Rules and Eligibility

- Participants must be 18 years of age or older to participate.
- Incentives apply to the first 750 participants and cannot be received by government employees including elected officials.
- Participants must have a valid email address to receive the gift card incentives.
- The pilot is funded by a U.S. Department of Transportation grant program. This grant provides funds to programs that utilize a user fee structure.
